

Feast of the Seven Fishes

"This is what Italians eat when they say they are fasting" Mario Batali

No one is sure of the true significance of the seven fishes that are often served in Italian homes on Christmas Eve, but in true Italian form it is a time to gather and enjoy family, friends and delicious food during the holiday season.

Menu available December 21, 22 and 23, 2011

All items are a la Carte
